Dear Mr. Kearse;

As benefit advisors, we realize the importance of providing our clients with complete and accurate information when it comes to ERISA compliance. We recently completed the SPD Wrap process for two of our clients through your online WrapTight system, and we would like to express our satisfaction with both the online system, and the service that ERISA Pros has provided.

The WrapTight system was easy to use, and if we had questions about requirements, the staff at ERISA Pros was always accessible and extremely responsive. When we needed to make changes to minor details within the documents, the WrapTight system made it simple for us to go in and make the necessary revisions. Further, we particularly appreciate the ability to maintain client documents in the WrapTight system, and easily update them year after year as legislative changes occur.

As a result of our partnership with ERISA Pros, we feel confident in knowing that we are working with true experts in the field of ERISA compliance which is especially valuable to us as a smaller benefit advisory firm.

We look forward to continued success in working with ERISA Pros and your WrapTight system.

Sincerely,

A handwritten signature in blue ink that reads 'Meghan Martinez'.
